AN OPPORTUNITY AWAITS YOU

Please join us to stand side-by-side with supporters of the musical arts in Worcester.

MAX REGER FESTIVAL 150

On November 3, 4 and 5, 2023 the Worcester AGO will be holding a festival to honor of the 150th anniversary of the birth of German composer, Max Reger (1873-1916). Schoenberg, his contemporary, was quoted as saying that Reger represented 'a new technique' of change looking forward. In his brief 46 years, Reger expanded the compositional language for the organ, leaving a profound portfolio of works accessible to a wide range of performers.

- Recitals and lectures will be centered in Worcester and attracting music lovers, organists, educators and students from around the nation.
- Glorious instruments will be featured in all events in the "Pipe Organ Capital of New England"
